TRAVEL WAIVER PERMIT

Being understood that squad members and coaches are transported as one unit by a commercial vehicle for all out of town contests from the point of departure and returned to original point, permission is hereby requested for _____ to leave
(student's name)
the squad on _____ from _____ with his/her
(date) (departure point)
parents or guardians only for the return to Warroad.

It is further understood that through the granting of this request the Warroad Public School, its administration, and coaches/director are absolved of all responsibility and liability concerning this student athlete, cheerleader or band member on said return trip to Warroad.
